Hi Candice- Thank you for touching base. Since I have been out the last couple days this was a perfect reminder of where I left off on Monday afternoon. I just tried to call, but didn't reach you. It would be great if we can connect today. I am free any time before 11am and after 3pm.

Thank you,

Hi Nicole- I know you were out of the office the last few days, but if you have a few minutes today to chat I would appreciate you giving me a call. I wanted to follow-up on the couple of voicemails in regards to an approach to move Delano forward. I am busy at 10am and 1pm but otherwise can adjust my schedule as needed to talk.

Hope you had safe travels!!

Candice
